

What is Dana?

In Refuge Recovery we practice the principal of Dana or generosity. Each group is responsible for its own finances, relying solely on the generosity of its members. Refuge Recovery is freely offered. We have no dues or fees. Donations to Refuge Recovery are used to pay for rent, literature, and the shared costs that support our Refuge Recovery program at the local, state and world level. We have a \$5 suggested donation. If you have less, give less. If you have more, give more. Help support your Refuge Recovery and those still suffering. We appreciate your generosity.
